Principal’s Report

It gives me great pleasure to inform you of Mecenzi Howard’s achievements. In 2012, Mecenzi Howard of Yr 9 won the NSW Junior and Senior Individual titles in Boccia. Mecenzi is Captain/Coach of our school Boccia team. Mecenzi participated in the Individual event. She is both Junior and Senior Champion of NSW. Mecenzi has been invited to play in Hong Kong in 2013.

Figtree High School Boccia Team 2012

Thank you to the vocalists who sang the National Anthem on assembly; Victoria Liddle, Hannah Bentley, Abbey Blackmore, Tilda Bennett, Tasmine Lown and Riley Byrne-Coad.

I had the great pleasure of accompanying Year 7 SRC students; Jemma Gourlay, Jayden Brown and Erin Stafford to the Figtree Public School Student Representative Council Induction Ceremony. The students spoke about their SRC experiences. They represented the school in a very professional manner.

I attended the Year 11 Camp on Wednesday night and joined the students and staff for the evening meal. The students were very well behaved and had an enjoyable day of outdoor activities. Thank you to the staff who organised such a worthwhile event.

On March 20 there was an evacuation drill. The students were generally well behaved and proceeded to the designated evacuation area in an orderly and prompt manner. There will be evacuation and lock down drills conducted throughout the year.

Our English As A Second Language(ESL) teacher, Mrs Evia Kyriacou is attending a Teaching English Language Learners (TELL) facilitator refresher course on Monday 25 March. This will enable Mrs Kyriacou to provide our Figtree High School staff with professional learning in ESL skills and strategies.

Congratulations to Mrs Margaret McEwan and Mrs Angela Mintzas who have been selected as NSW representatives to attending a Board of Studies Program Builder Focus Group. This group will be assessing a software package that will assist teachers in programming for the new Australian Curriculum.

Congratulations to Savannah Reali who has successfully gained a 2013 NSW Mining Scholarship. Savannah will be mentored by Jane McConnell, Manager resourcing, BHP Billiton Illawarra Coal.

Regards
Carol Marshman
Principal
News from TAS

This year we welcome Mr Stephen Solah to our permanent teaching staff. We extend our congratulations to all Year 12 students 2012 on their great HSC results across the faculty, with a high proportion of band 5’s and Samantha Ligacs achieving Band 6 in Textiles and Design.

The commencement of lessons in our newly completed Trade Training Centre rooms – Hospitality and Metals has provided students with the experience of working with industry standard equipment and resources. Our staff are very excited about using these facilities and are enjoying introducing new equipment and technologies to students. This venture was made possible through our strong relationships between our partner schools in the Illawarra Partners in Education (iPIE).

The formal opening of these facilities will be in Term 2. More news regarding this will appear in future Bulletins.

All Stage 6 courses are well settled and students are preparing for their upcoming assessment tasks or Half Yearly exams.

Little Figgies Playgroup welcomes new parents and their children to our Playgroup sessions each Tuesday from 10.45am to 12.15pm. We are located in the Engineering Science room and offer craft activities, playtime, cooking and painting. Both Year 11 and 12 Exploring Early Childhood students run these sessions and it gives them the opportunity to have hands on experience with young children.

Many thanks to these Year 12 students who created a fantastic sign for our Little Figgies play area:

Kylie Layland,
Katie Barker &
Kelly Barsby.

Also, thanks to Mrs Ferguson who spent many hours last December helping the girls with the design and completion of the sign.

Year 12 Textiles and Design have completed their toile development for construction of their Major Textiles Projects and are working towards quality products and folios for HSC assessment in August. Projects range from Show Dog coats, formal gowns, period costumes to apparel. All students are required to show innovative and creative techniques in their work and I look forward to the diversity created.

Year 12 Industrial Technology (Timber) class continue work on their major projects. There are a variety of projects under construction. These include: TV units, coffee tables, a dog kennel and a bed head. All projects are progressing well, with the due date (August 12th) approaching quickly. A few students worthy of mention include: Huseyin Huseyin (coffee table), Amanda Peace (coffee table) and Matt de Jongh (TV unit).

Junior classes are settling into electives and Technology Mandatory. It is imperative that all students undertaking practical work in all TAS courses wear protective clothing as required and covered leather footwear. Alternative tasks will be provided for those students who do not meet these work health and safety requirements.

Prompt payment of fees is appreciated to purchase necessary consumables for classes. Your attention to fees is appreciated. Please contact me or the Senior Executive should you require assistance with payment plans.

Most Year 12 VET students are currently completing their mandatory Work Placement in Hospitality, Metal and Engineering, Construction and Entertainment. Students are reminded that Work Placement must be completed (70 hours) to satisfy BOS HSC eligibility.

Cathy Smith
HT TAS
Figtree High School Core Values:

Safety

Emergency Evacuation Practice

On Wednesday 20th March, the school held an emergency evacuation practice. It was very pleasing to see the safe and responsible manner in which students were able to evacuate from the school buildings and assemble on the school soccer field. These drills are an important part of school safety and are practiced several times throughout the year, so that in the event of an emergency where the school needs to be evacuated, students leave the school buildings safely and calmly.

Student Attendance

Students are required to be at school for every school day. The school day begins with roll call at 8:40am. Students are expected to be at school by this time so that an accurate roll is maintained for student attendance. This year, the school has introduced an electronic roll marking system where teachers mark the class roll on the computer each period, so that student attendance can be closely monitored by Teachers, Head Teachers, Year Advisers, the Deputy Principals and the Home School Liaison Officer. If a student arrives to school late, they MUST sign in at the front office. Students should have a note from a parent/carer if they are late to school. If a student needs to leave school early, students must bring a note to the Deputy Principal before school, to have their request for partial leave approved. If a parent needs to collect their child from school early, the parent needs to contact the school to organise this. Students are not to leave the school grounds at any time during the school day without permission from the school. All student absences need to be explained, and students were provided with a booklet of student absence notes at the beginning of the school year. Additional booklets can be obtained from Year Advisors or the Deputy Principal.

Road Use

I extend my sincere thanks to our students for their support in using the traffic lights on Gibsons Road to safely cross the road at the beginning and end of the school day. The end of the school day is particularly busy with pedestrians, cars, bikes and buses. It is for this reason that we have asked students to ensure they use the traffic lights to cross the road at the front of the school. We also seek parents assistance in working with us to ensure students safety at the end of the school day. If you are collecting your child at the end of the school day, and are parked on the opposite side of the road to the school, please allow your child the little extra time necessary to cross the road safely at the traffic lights with the rest of the Figtree High students, instead of walking straight across the road where they need to dodge and weave through traffic.

Ellie Donovan
Deputy Principal

School Uniform- Winter

With the colder months approaching, we seek parents support to ensure that students have the necessary items of school uniform. The items of school uniform below are approved for students to wear in the winter:
Aboriginal and Torres Strait Islander Students

All of our ATSI students have access to a range of cultural and academic experiences designed to enrich and provide relevance to their school life. These range from involvement in the AIME mentoring program provided by the Universities and HSC tutoring under the Norta Norta scheme to cultural visits and connections with the local community.

If your child is of Aboriginal and Torres Strait Island descent and has NOT been contacted regarding any of these programs this means that they are not identified as ATSI background in our records. If this is the case, could you please contact the school so that we can amend the records and ensure that your child does not miss out on these exciting opportunities.

Thank you

Julie Liddle

Mobile Phones

Student’s mobile phones are to be ‘switched off’ or placed on ‘silent mode’ and should be in student's bags during class time. This is to ensure that they are not a distraction to learning during lessons. Parents are reminded that students are not permitted to use their mobile phone to make or receive calls or text messages during timetabled lessons. If there is an urgent matter where a parent needs to speak to their child, parents are asked to contact the school office and we can arrange for your child to speak with you. Alternatively, parents can contact their child during the scheduled Lunch 1 and Lunch 2 breaks during the day.

Bus Travel – Mt Kembla Bus

Students who catch the Mt Kembla bus home from school need to be aware that this bus will now collect students at 2:25pm on a Thursday afternoon, the earlier finish day. This bus previously collected students between 2:35—2:45pm. This will start this Thursday 28/3/13.

Have you changed your contact details ?

If you have changed your address, phone number, (home, mobile or work) it is essential that the school is notified. Change of details forms can be collected and returned to the front office. Alternatively, change of details information can be sent to the school's email address

figtree-h.school@det.nsw.edu.au .

School Bulletin – electronic copies only

The School Bulletin is being distributed electronically, via email and the school’s website. From next term, the Bulletin will no longer be distributed in hard copy to our Year 7 students. If you are not receiving the newsletter via email, and would like to, please send a request to the school email address figtree-h.school@det.nsw.edu.au so that you can be added to the Bulletin email distribution list. The School Bulletin is also posted on our school website www.figtree-h.schools.nsw.edu.au located in the ‘Newsletters’ section, under the 2013 link.
Korean Homestay Visit
Figtree High and Je-Ju National Middle School
14 - 24 February 2013

What a time we’ve had!

A huge thank you to the host families, homestay students, school community and staff who have made this year’s homestay visit such a success.

Students were involved in classroom activities ranging from conversational english, bingo, drama, science, art (painting boomerangs), food tech (Anzac biscuits), geography, writing postcards home and learning more about aboriginal culture.

We travelled on excursion to Belmore Basin for a walk along the foreshore and a lunch of fish and chips; to Kiama Blowhole and the Illawarra Fly, with a stop at the Robertson Pie Shop; to Symbio Wildlife Park via Bald Hill and a walk along the Sea Cliff Bridge and we spent a busy thrill-seeking day at Jamberoo Action Park.

Mrs Hong and Mrs Seo accompanied 12 students from Grade 7 and 8, with most students happy to remain in Australia and they enjoyed the relaxed lifestyle and hospitality.

Special thanks goes to Mrs Leabeater, Mrs Goodall, Mrs Marshman and Mrs Smith who opened their homes to host Mrs Hong and Mrs Seo. Also to Mr McGavock, Mrs Clifford and Mrs English who attended excursions; and to Ms Booth, Ms Coughlin, Ms Clark, Ms Gittoes, Mrs Williams and Mrs Parr who took specialist lessons.

This program widens our cultural view and provides an opportunity for students to get to know people from another culture and take up the offer to travel to JeJu later this year. We are now approved to travel in September 2013 and look forward to re-connecting with our Korean friends.

Our thanks are extended to Premier Bus Services for their generosity of transport to our students over the homestay period.

Congratulations homestay students on being fine ambassadors for our school and your families!

From:

Year 10 - Elise Oakman and Rachel Watson;
Year 9 - Victoria Liddle, Adam McKeown, and Shania Douet,
Year 8 - Mikayla Markham, Kimia Rahmannia, Czarina Jermyn and Andrew Watson, Victoria Pipino (9), Erika Petersen (9), Hannah Blanch (7) and Cassandra Harding (7) also participated in the program as day billets.
We love the Gong!

The fun we had!!
Our week at School included many in class activities:

In Technology Mandatory with Year 7

In Science with Year 8

In Geography with Homestay students

Learning about Aboriginal Culture

In Drama with Year 10
Year 10 Geography Excursion

On March 21st Year 10 Geography students completed their compulsory fieldwork. Along with their Geography teachers, students visited three different locations in the Illawarra, observing firsthand the different processes associated with urban growth and decline. North Wollongong provides excellent examples of urban consolidation. Shellharbour village provides a good example of urban renewal, and Wentworth Street in Port Kembla provides a marked example of urban decline. Students completed a range of questions at each location and submitted their research at the end of the day. Staff were delighted with the behaviour of all students on the excursion, and the students themselves clearly enjoyed their day ‘in the field’.

Just as a heads up for parents: The HSIE department will be running the same excursion on September 2nd for those students who are to complete their Geography component in Semester 2. On the same day, the History incursion also ran for students who are doing their History component in the second semester. The cost for each of these events will be $15. Information will be forthcoming at the beginning of term 3.

Mathematics Competition

Date of competition: 1 August 2013

This competition is open to all students in Years 7 to 12.

If your child would like to enter in to this competition, it will cost $5.50. This entry fee needs to be paid to their maths teacher no later than 3 May 2013. No late entries accepted.
SRC MURAL 2012

Mural in the Quadrangle

The return to school in 2013 for students was greeted with a large mural installation in the main quadrangle. A tremendous congratulations goes to a most wonderful and talented group of students whose goal was to bring life, and hopefully a smile to faces, in this central meeting place in the school.

On Thursday 21st March, Year 10 History students were involved in a series of workshops designed to further enhance their understanding of the Vietnam War which they have been studying in class. The students were impressed with the performance given by Brett Hunt, son of Frankie Hunt, a Vietnam Veteran whose story was the basis of Redgum’s famous song “I was only 19”. Brett Hunt gave an incredible performance that combined music, sound effects, dialogue and the story of his father’s experience in the Vietnam War. It was a very moving performance that sent shivers down our spine!

Below is a sample of the reviews that yr10 students wrote after watching Brett Hunt’s performance:

“The way that Brett described what his father went through gave me a better understanding of Vietnam War and the song “I was only 19” – Mikayla Foard

“Brett Hunt did an excellent job of combining music and dialogue to retell the story of his father. His performance was very entertaining and easy to understand. He put a lot of emotion into each character which made it easier to understand how the people would have felt back then” – Mason Davey

“I liked that he was able to create the atmosphere of the time using sound effects that he could make with his voice. I thought the whole performance was great and it helped me better understand what we had learnt in class” – Caitlin Carson & Mecenzi Howard

Both Brett Hunt and Paul Martin commended the year 10 students on their exceptional behaviour during the workshops. They were great ambassadors for the school and demonstrated a keen interest and maturity during the workshops. Well done, Year 10!

Mrs Corbett

Students also participated in a workshop with Paul Martin who owns Australia’s largest military history collection from the Vietnam War. The students were very impressed with the range of items that Paul Martin had in his collection which included everything from uniforms and backpacks to booby traps and ration kits. Below is a sample of the reviews that yr10 students wrote after observing the military history collection:

“The equipment that Paul Martin brought in was very interesting, and the best part was that Paul Martin knew everything about the equipment and how it was used in the war. It was a great day and I want to say ‘thank you’ to both Paul and Brett for their time” – Travis Pallas

“Paul had all different kinds of items, from what they wore to first aid boxes and grenades. I personally enjoyed seeing the clothes they had to wear and the things they had to carry. It is definitely a workshop I would love to see again” – Claudia Jennings

Both Brett Hunt and Paul Martin commended the year 10 students on their exceptional behaviour during the workshops. They were great ambassadors for the school and demonstrated a keen interest and maturity during the workshops. Well done, Year 10!

Mrs Corbett

PBS prize draw

Congratulations to Franco Ledesma (Year 11), Brandon McBey (Year10), Jayden Benn (Year9), Daniel Pelaez (Year 8), Hugh Brophy (Year 7) and Owen Howard (Year 7) who each received a $5 canteen voucher because they had their RSL ticket drawn out on assembly. RSL tickets are given to students who are seen to be practising the school’s values of Respect, Safety and Learning. Students are encouraged to drop their RSL tickets into the box in the administration block so that they can be included in the weekly prize draw.
Lions Club
Youth of the Year Quest

On Saturday 16th March, Ivana Zaric (Yr12) competed in the District Final of the Youth of the Year Quest which was held in Merimbula on the Far South Coast. After winning the first two rounds of the Quest, Ivana represented the Illawarra region in this competition and was required to compete in numerous stages. The stages included an interview with the judges, two impromptu questions where she needed to deliver a 2 minute response and the presentation of a 5 minute speech on the topic of her choice. Ivana impressed the audience of 100 people with her passionate speech on the importance of preserving History and the role it can play in shaping society and the people within it. Although Ivana did not receive a spot in the State Final, she was a fantastic ambassador for Figtree High School and the Illawarra community. Congratulations, Ivana! -Mrs Corbett

Australian Junior Athletics Championships Results

Last newsletter we reported on two of our students who were attending the Australian Junior Athletics Championships in Perth. Congratulations on the following results.

Teghan Barklay – Year 9
Long Jump  3rd
90 Hurdles  5th
High Jump  8th

Joshua Head – Year 9
800m  5th – with a PB

CHS Baseball

Well done to Brad Simon who made the CHS Baseball team. He will play up on the Central Coast on the 3rd of April. At this trial he will be vying for a NSW position. We wish Brad all the best and congratulate him on his achievements so far.

South Coast Region Schools Futsal Championships

Tues 12th March to Friday 15th March, 2013
Illawarra Indoor Sport Stadium, Berkeley

Once again Figtree High School was out in force at these championships. We certainly had the most entries of any school within the region by a long way, with a team each in the 14, 16 & Open Girls, 4 U14 teams, 7 U16 teams and 2 Open teams in the boy competitions. A credit to all students involved with not one negative comment made in relation to their involvement, only praise for their manners, competitive spirit and fair play.

The 2013 Futsal season is shaping as our best yet with 4 teams progressing to the State Championships at Penrith later in the year. The 14 Boys and Open girls were crowned Regional Champions and the 14 Girls and Open Boys Regional Runners up. These teams will be representing Figtree HS and the South Coast at these highly competitive championships (see team lists below).

The 16 Boys unfortunately fell one game short, being defeated in the semi final. Well done to all the students involved. You are certainly putting Figtree HS up there with the best of ALL schools in the region and state!

Mr Smart
HT PDHPE & Futsal Coordinator

Sydney Swans Girls 9-a-Side Gala Day

Reed Park, Dapto—Tuesday 19th March, 2013

Congratulations to all the girls that put their hand up to be part of a team on this day. The competition was conducted in U13, U15 and Opens age groups (see team lists below). Figtree had a team in each age group. Only St Mary’s had a similar turn out with other schools in attendance being; Warilla, Albion Park, Lake Illawarra, Corpus Christi, TIGS and Bulli.

The day was all about fun and experiencing what the game of AFL is all about. Games were conducted in an U12 9-a-side modified format. It was great to see so many girls from all the schools enjoying a day of sport and just having fun in the process.

The girls on the day were fantastic ambassadors to all involved in the Figtree High School community with all girls demonstrating respect, tolerance and fairness. All girls improved their AFL skills and confidence in the game throughout the day. The girls finished the day wanting to play more AFL. The U15 girls were very unlucky not to make the final, missing out on for and against points and defeating St Mary’s (eventual winner of this age group), in the pool matches.

Well done Girls! This is an annual event and will be conducted at a similar time next year.

Mr Smart
HT PDHPE & AFL Coordinator
NSW Combined High Schools Swimming

Congratulations to the following students who will be attending the combined high schools swimming carnival in Homebush from the 4th-6th April. These students will represent the school as either individuals or part of a relay team.

Molly McNair, Tilda Bennett, Kaitlin Hearne, Ellee-May Wilson, Meghan Fox, Caitlin Smith, Wes Roberts, Mitchell Acev, Joshua Burley, Ryan King, Scott Mills, Michael Trajevski, Drew McMullen and Jarrod Creswick

We wish them all the best on the day.

Students who made teams

Girls South Coast Football Team

Congratulations to the following girls who were selected in the South Coast football team. This is a big achievement as the standard of football in this area is very high. The girls will play in the NSW State Championships at Albury from the from 7-8 May 2013.

Lucy Nolan (YR 10)
Kristina Janeska (YR 12)
Courtney Belsito (YR12)

South Coast Netball

A big congratulations to one of our Year 10 students who was selected in the South Coast Netball Team. Shaye Wilkinson played exceptionally well at the trials and was rewarded with a position.

This year the State Championships will be held in Tamworth from the 28-30 May 2013.

NSW State Girls Tennis

Well done to one of our very talented tennis players. Lauren Smileski in Year 10 was one of only nine players to be selected in the NSW State Tennis team. She will travel to Bathurst in August to compete in the Championships. Congratulations Lauren.

FIGTREE HIGH CROSS COUNTRY

This is a normal school day and ALL students are to attend and participate.

WHEN: Tuesday 9th April 2013
WHERE: School – races start on the Netball courts and finish on the bottom oval underneath the football posts, running through paddock and crossing the creek (approximately 3km).

TIMETABLE FOR THE DAY

Periods 1 – 3 normal lessons
Lunch 1 – 11.22am till 11.52am
Assembly 11.52am till approximately 12.15pm

RACE SCHEDULE FOR THE DAY

- Seniors & 16 years – 12.30pm
- 12 & 13 Years – 12.50pm
- 14 Years – 1.15pm
- 15 Years – 1.40pm

Assembly in Quad at approx. 2.30pm where rolls will be marked and raffle tickets will also be drawn with prizes given.

INFORMATION

- School uniform MUST be worn for Periods 1 – 3 then students may change into old clothes to run in (they don’t have to run in their PE shirt)
- The students WILL get their feet wet crossing the creek so it is advisable to wear old joggers and not expensive shoes.
- Seniors and 16 years should not eat a great deal at Lunch 1 but wait until after their race.
- 12, 13, 14 and 15 years should eat their lunch at Lunch 1 before their race.
- It is advisable to wear a hat and sunscreen for the race.

Water will not be available on the course. If you think you will need it you will have to carry a water bottle with you.

TEACHER SUPERVISION

Teachers are stationed at regular intervals around the course (within site of each checkpoint) – each with a mobile phone and small first aid kit. A Risk Assessment has been completed for this event.

All students are encouraged to participate whether to qualify for the Zone Cross Country Championships or just to have fun. If your son/daughter has a medical condition that may prevent him/her from participating in this event, please supply a note on the day detailing the condition so an exemption may be arranged.

FUNDRAISING

On the afternoon of the Cross Country the SRC are running some stalls to raise money for the school (eg, sausage sizzle & drinks). We ask you to bring some money to support these ventures.
