In public education, we value learning. We recognise the importance of how students learn in conjunction with the content that they learn. Success is not measured by the information that a student can recall. Rather, it is measured by their ability to use the information, experiences and skills gained over time and apply them in new and unfamiliar situations. It is for that reason we engage in the journey of education and strive to provide this outcome for all students regardless of gender, race, disability or religious background.

We recognise the positive impact and contribution that our teachers make in this journey for our students. From Year 7 through to Year 12, our teachers provide quality educational experiences in a safe and caring environment. Our priority of meeting the educational needs of our students is balanced by providing this instruction in conjunction with our core values of respect, safety and learning. It is with this holistic approach to learning that our students develop and ready themselves for not only their future studies and/or employment, but we prepare them to contribute as valuable members of our community and our country.

To this end we would like to thank the staff of Figtree High School, both Teaching and Administration, for their contribution to the successes that our Year 12 students have enjoyed and achieved. In particular, we would like to thank Ms Louise Dark (Year Advisor Years 7 to 10) and Mrs Margaret Parr (Year Advisor Years 11 and 12) for the commitment and guidance they have given this Year group during their 6 years of High School.

To Year 12, we wish you all the very best for your future endeavours. In all that you do, always give your very best. As you embark upon life beyond high school, embrace every challenge.

*For life is learning and in life we do things we do not know how to do in order to learn how to do them.*

**Principal's Report**

The completion of Year 12 is a significant achievement that will be celebrated at Figtree High School on Friday 20th September during our graduation ceremony. The Higher School Certificate (HSC) is the highest award for secondary education in New South Wales and we are extremely proud of our 128 Year 12 students who will be graduating on Friday and completing their final examinations during October.

Every student has been guided, shaped and developed by their 13 years of schooling to not only prepare them for their final examinations, but also equip them with the necessary skills required to be successful in an ever changing world. Whether it be in further studies or full time employment, students need to be prepared for the unknown; to have the capacity to face new challenges and successfully develop solutions.
**HSC Examinations**

Our Year 12 students are in the final days of their secondary education and we will formally recognise and congratulate our Year 12 students and their parents this Friday at the graduation ceremony. The two week vacation period will provide a great opportunity for Year 12 students to consolidate their learning, revise the content of courses and practice their examination technique. Their final HSC examinations commence on 14th October. Students should ensure that they are taking the advice and feedback from their class teachers into this final preparation period. The NSW Board of Studies website is also an important HSC resource for students in their preparation: [www.boardofstudies.nsw.edu.au/hsc_exams](http://www.boardofstudies.nsw.edu.au/hsc_exams)

This link provides students with:

- Past HSC examination paper
- The HSC Examination timetable, dates and events
- Examination equipment checklist
- Examination rules and procedures for HSC students

The Board of Studies also has the NSW Students Online website: [http://studentsonline.bos.nsw.edu.au/](http://studentsonline.bos.nsw.edu.au/)

Students can use their student number and pin to access their personalised HSC Examination timetable, a range of ‘tips and tools’, ‘past papers’ and useful links including the ‘glossary of key HSC words’ and ‘HSC Exam workbooks’.

**A new Figtree High School Cap is launched with Year 7**

As September is the first month of spring, 5th September saw the launch of the Figtree High School Cap. This was an initiative of the Figtree High School Parents and Citizen’s (P and C) Association who have been working throughout this year on the design and materials for a school hat that will provide students with protection from the sun during PE and Sport, as well as during lunch breaks. The P and C funded the purchase of school caps for our Year 7 students, who were given their school cap after the school assembly on 5/9/13. The school cap will become part of the school sport uniform and will be available for purchase from the school. We thank the P and C for this new addition to the school uniform. This is particularly timely as we head into the warmer months of the year, with many students making use of the school ovals during lunch, and engaged in outdoor recreational sporting activities on Wednesdays during the peak UV radiation period.
Merit Award System

Gold Awards

Congratulations to Emma Keech, Kiana O’Hara and Skye Oppio (Year 12), who have recently qualified for their Gold Award. This is the highest award that can be achieved in the school’s merit system and means that each of these students has presented 150 merits. These merits provide evidence that the student has been working to the best of her ability across a range of subjects and that she has been prepared to be involved in a range of extra-curricular activities such as special sporting events, the school production and academic competitions. Emma, Kiana and Skye have all been awarded Principal’s Awards and/or Year Adviser’s Awards, another demonstration of their consistent work ethic. They have clearly demonstrated a commitment to following the school’s values of Respect, Safety and Learning through earning PBS merits, 100% attendance merits and offering their services to the school. These students are all excellent role models and most deserving recipients of this prestigious award. Well done!

Congratulations to the following students who have reached Silver or Bronze level in the school’s merit system during Term 3.

Silver:

Phoebe Palmer, Jessica Oates, Ebony Ireland, Scott Borst, Genevieve Stone, Ana Djotunovic, Riley Morgan and Sara Deroy (Year 12), Meghan Fox and Madison Gruevska (Year 7).

Bronze:

Abby Churchin, Krystal Grogan, Rory Beniuk, Jacob Davis, Campbell Fulcher, Ashleigh Jones, Connor McMullen, Aiden Imber, Matthew Hobbs, Rebecca Prstec, Daniel Maris, Emily McKinnon, Daniel Moss and Emily Woods (Year 7).

To be considered eligible for Bronze, Silver or Gold level on the school’s merit system a student must be able to present the required number of merits (Bronze 15), (Silver 45), (Gold 150). Students must also meet the criteria of being cooperative and courteous and being prepared to work to the best of their ability at all times.

A Bronze or Silver certificate allows students to participate in merit reward excursions and can be a valuable addition to a student’s résumé. The merit excursion for Term 4 will be to Jamberoo Action Park. More information will be given about this excursion in Term 4.

Students who have the required number of merits are encouraged to apply for their Bronze, Silver or Gold certificates. They can obtain an application form from their Year Adviser or Ms Dive in the Languages Staffroom.

PBS Draw

Congratulations to Michael Trajcevski (Year 12), Gavin Smith (Year 10), Dylan Rower (Year 9), Meghan Fox, Payton Williams, Connor McMullen and Kayla Marras (Year 7) who each won either an 8 gigabyte thumb drive (very useful for assignments etc!), an iTunes voucher or a $5 canteen voucher because they had their RSL tickets drawn out on assembly. RSL tickets are given to students who are seen to be practising the school’s values of Respect, Safety and Learning. Students are encouraged to drop their RSL tickets into the box in the administration block so that they can be included in the weekly prize draw. These tickets are also tallied for each student and count towards earning merits for Bronze, Silver or Gold Awards.

Korean Homestay Cultural Tour 2013

On 23 September, five students – Kimia Rahmannia (Yr 8), Victoria Liddle, Victoria Pipino, Adam Mc Keown (Yr 9) and Elise Oakman (Yr 10) will be travelling to the Republic of Korea to experience life in another culture with Mr Liddle and myself. We will be visiting Seoul and surrounding places of significance for 2 days before flying to Je Ju Island to be hosted by our sister school, Je Ju National University Middle School until we fly home on 2 October 2013. Students will be involved in daily life and will visit many beautiful places while on the island.

This is a great opportunity for these students and I encourage you all to consider being part of this program in 2014. We anticipate that students from Je Ju will visit us in February 2014 and we will be looking for families to host these students and be involved in the organised activities.

There will be more news on our return.

Homestay Coordinator
NAIDOC Debating Challenge

On Monday 9th September, four students, Chloe Winch Year 9, Amy Soper Year 9, Brittney Angus Year 8 and Taranom Rahmani Year 8 competed at the inaugural NAIDOC Debating Challenge at Tarrawanna Public School. The topic debated was ‘Should Aboriginal people have more say over Crown Land – Mining Rights?’ In this debate the girls had to argue as the opposition, which is clearly the more challenging stance.

The affirmative team debating against Figtree High were also a group of older, more experienced debaters; however, the girls were confident and articulate. Our team lost by only 2 points, scoring 254 out of a possible 300 points. Comments made by the adjudicator and teachers with extensive debating experience were that, ‘our students had clearly engaged in extensive research of the topic, their speeches were well-structured and they presented themselves in an expressive and professional manner.’ Keira and Corrimal High Schools drew for the winning position.

Our girls look forward to competing again next year and gaining more debating experience in the near future. Congratulations to Chloe Winch, Amy Soper, Brittney Angus and Taranom Rahmani for having the confidence to engage in a new and challenging experience and for representing the school as a cohesive team.

Mathematics Faculty News

Year 12 students are in the final stages in preparing for their HSC exams. On behalf of the Maths staff, I would like to wish all Year 12 students good luck in their exams and hope that they achieve the results that they are expecting. It is important to keep practising on past HSC papers right up until the day of the exams.

The following Year 12 students have done very well in their mathematics courses during the year.

Year 12 Mathematics Extension 2 – Rhys Kilian
Year 12 Mathematics Extension 1 – Rhys Kilian, Skye Oppio and Michael Trajcevski

Year 12 Mathematics – Giverny Witheridge, Aaron Cunningham, Clayton Weatherall, Michael Trajcevski and Brendan Woods.

Year 12 General Mathematics – Peter Walker, Matt De Jongh, Bryce McFadden, Jessica Oates and Nicholas Verheyden.

Year 12 Information Process and Technology – Rhys Kilian and Giverny Witheridge

Year 11 students are currently sitting for their final preliminary exams. The following students have been doing well in their Mathematics courses during the Year.

Year 11 – Mathematics Extension 1 - Michael Valceski, Alyssa Wright and Savannah Reali

Year 11 – Mathematics – Savannah Reali, Jack McCosker, Wesley Roberts, Michael Valceski and Alyssa Wright

Year 11 – General Mathematics 2 - Samantha Mugavin, Samuel Condon, Elyse Kambisios, William Searle, Timothy Tschentscher and Jarryd Whatman.

Year 11 – General Mathematics 1 – Maddie Lazicic

Year 11 – Information Process and Technology – Lucas Wegener, Naum Dislievski and William Searle.

All students in Years 7-10 will be sitting for their Yearly Mathematics exams during Term 4. Approximate times for these exams are as follows:

Figtree High School Uniform

Summer Uniforms

With the warmer weather already arriving, we seek our parents support in ensuring that students are dressed appropriately in the Figtree High School uniform. Lowes at Westfield Figtree and Poppets Direct at Fairy Meadow are the suppliers of our school uniform.

Students may well have grown over the winter months and as such, new purchases or adjustments to uniforms may be necessary over the holiday period. We would like to remind our girls, in particular, about the school’s policy regarding the length of skirts and school shorts. The minimum length is mid-thigh, which can be easily identified when students extend their arms and hands by their sides. The fingertips will indicate mid-thigh location. The skirts and shorts available from our school uniform suppliers meet our school uniform policy regarding length.

Ms Ellie Donovan
Deputy Principal

Yr10 History “Vietnam War” Performance

On Tuesday 3rd September, Year 10 History students had the opportunity to further enhance their understanding of the Vietnam War which they have been studying in class. The students were impressed with the performance given by Brett Hunt, son of Frankie Hunt, a Vietnam Veteran whose story was the basis of Redgum’s famous song “I was only 19”. Brett Hunt gave an incredible performance that combined music, sound effects, dialogue and the story of his father’s experience in the Vietnam War. It was a very moving performance that sent shivers down our spine!

Brett Hunt commended the Year 10 students on their exceptional behaviour during the performance and for their participation during the Q&A session. They were great ambassadors for the school and demonstrated keen interest and maturity during the performance. Well done, Year 10!

Mrs Corbett
ACE Showcase 2013

On Tuesday 27th August, the annual ACE Showcase was held in front of an audience of parents, teachers and special guests. ACE is the Academic Challenge and Excellence program that is designed for gifted and talented students from Yrs 7-10. Students are required to identify a problem within a topic of their choice and conduct primary and secondary research to develop a series of solutions or recommendations for their problem. As part of the primary research component, students had to interview an ‘expert’ in their chosen field.

“I loved the opportunity to work on a problem and come up with solutions on something I enjoy” – Payton Williams, yr7

The ACE students had the opportunity to interview a wide range of people from across Australia including professors from numerous universities as well as published authors and scientists. The ACE students presented their findings during a showcase of their work where they were required to present a speech as well as a visual presentation.

“I enjoyed being in ACE because it gave me the opportunity to research a topic that I was interested in and wanted to look into” – Elise Oakman, yr10

The students did an incredible job and their presentations demonstrated their sophisticated understanding of the topics explored. There was a wide range of topics researched this year including sweatshops, factory farming, preservation of Aboriginal languages, local live music, participation in sport and video gaming in education.

“The best part of ACE was the feeling of satisfaction and achievement after giving my presentation”
-Gabrielle Livingston, yr7

Congratulations to the following students who presented their final projects during the ACE Showcase:

Year 7 – Gabrielle Livingston, Jamie Kuzman, Tiffanie Doan, Kaitlin Hearne, Jacinta Carson, Payton Williams, Jade Gray, Madison Gruevska

Year 8 – Andrew Watson, Michael Oakman, Kimia Rahmannia, Ben Hubert, Czarina Jermyn, Saumya Sharma, Lloyd Kellerman

Year 9 – Myah Howard

Year 10 – Jason Rees, Amy Pryor, Elise Oakman

“ACE gave me the ability to experience what a major project might be like in the senior years”
– Jason Rees, yr10

“I enjoyed being able to create awareness of the issue I investigated” – Amy Pryor, yr10

I would also like to acknowledge the efforts of the Teacher Mentors who played an important role providing additional support and guidance for the ACE students. Special thanks to Ms Wood, Mr Simmonds, Ms Dark, Mrs McEwan and Mr Denner.

Mrs Corbett

The ACE Class of 2013 with Mrs Corbett
Bill Turner Cup Quarter Final

As previously reported, Figtree High’s Under 15 Boys Soccer team were very successful this year, reaching the Quarter Finals in this prestigious competition.

Our opponents were last year’s champions – Melbourne’s Maribyrong College – a specialist sports selective college, and a pretty serious challenge! As it happens, Maribyrong’s coach is an ex-Figtree High student who played for the school in a Bill Turner Cup final in the 1980’s (and later played in the National Soccer League I think…). An illustration of Figtree’s long pedigree at this level of sport!

We headed off to Wodonga on Thursday afternoon, spread between several parent’s cars (and Mr McGavock’s ‘truck’ for the lucky ones?!). Comfortable, if basic, lodgings in cabins at Wodonga and pizzas for dinner constituted a fairly relaxed evening for the team. Special thanks go to Mr Brodnik in particular for his efforts in transporting and feeding the boys, and to the other parents who travelled down to support the team.

Friday morning, match day, dawned cold and crisp. After breakfast (at the golden arches for most…) and some time in Albury, it was match time! The Maribyrong boys were well drilled, as expected, however Figtree matched them well. A tight first half saw numerous attacks by Figtree blunted by the Maribyrong defence, then a sudden counter attack (with questions being asked about offside), saw a sharp finish. Figtree had managed ten shots on goal to two, but we went to half-time one-nil down.

The second half started with Figtree on the attack again, but the outstanding opposition goalkeeper kept making brilliant saves to keep his team in the match. When refereeing decisions did not go our way we were unable to adjust our play accordingly. An unfortunate send off was followed by a second Maribyrong counter attack and goal. The game then deteriorated and some of the Figtree team unfortunately did not fight to the finish. The competition ended for us with a 2-nil scoreline. Throughout this competition I have felt that this Figtree team had the potential to go all the way. The test of a champion team, however, is how they lift when the chips are down. Unfortunately, we were shown up in this area. Maribyrong went on to finish fourth overall in the Cup.

Mr Chris McGavock
Coach

Stan Jones Tennis State Finals – West Wyalong

A huge congratulations to Jason Bloomfield, Haydn Hunt, Jayden Smileski & Blayne Sawyer who competed in the Stan Jones Tennis State Finals in West Wyalong on the 9th-11th September.

The boys beat Parkes HS in the opening round & came up against Westfield’s Sports High in the second round. Unfortunately, they lost this match 4 sets to 2 but went on to compete in the consolation draw.

In the semi-finals, the boys competed against Farrah High School in gale force winds & it came down to the wire as the match was even after the singles rounds. Fortunately, the wind didn’t bring down their spirits & they went on to win both reverse doubles & the match.

The following day, the sun was shining, the wind was at bay & the team was ready for action – Grand final between Figtree & Albury. After a sketchy start, the boys picked up their game & went on to win the match (5 sets to 3) & a bronze CHS medal.

A special mention to Haydn & Blayne who were on a doubles winning streak & only dropped one set in the very last match.
This outstanding result meant Figtree High School came 5th in the State out of nine teams. All boys should be proud of their achievement and the standard of tennis they produced over the two day carnival. Congratulations on behalf of everyone at Figtree High School. We acknowledge the financial support of the Figtree High P and C who funded our team’s shirts for the event and thank them for this support.

Miss Popovska
Team Manager

Australian Representative News

Congratulations are in order for our Year 10 student, **Danijela Milisic**, for her recent selection into the Basketball Australia - Centre of Excellence Futures Team to Tour Hungary. She has been a member of the Under 17 Australian Women's Basketball team this year and her selection into this squad is a fantastic opportunity and marks the beginning of her involvement with the National Women’s Basketball Program under the new Opals Head Coach, Brendan Joyce, who will be leading the tour to Hungary, scheduled for 23rd October – 5th November 2013. We are very proud of Danijela’s achievements and congratulate her for the outstanding performances that have led to her selection. We wish her all the best on her tour in Hungary next term.

State Athletics Championships

On the 5th, 6th and 7th September we had a large number of students represent Figtree High School at the State Athletics Championships in Homebush. Congratulations to all our students who competed, you were great ambassadors for our school. Below is a list of the results.

**Individuals**

- Camelia Ali (12 years) 7th in 100m and 5th in the 80m hurdles.
- Demi Westwood (13 years) 10th in 200m
- Matthew Hobbs (13 years) -17th in discus
- Ellee-May Wilson (12 years) 7th in 80m hurdles
- Teghan Barklay (14 years) 5th in 100m, 2nd in 200m, 1st in 90m hurdles, 3rd high jump, 4th long jump and 2nd in 200m hurdles. **Teghan also had the highest points for an individual girl.**
- Cameron Lodge (12 years) – 1st in 800m and 4th in long jump
- Jarrod Twigg (14 years) – 3rd in 100m, 1st in 100m hurdles, 5th in discus, 2nd in long jump and 3rd in javelin. **Jarrod also broke the record in the 100m hurdles.**
- Joshua Head (14 years) – 1st in 800m
- Momolu Sirleaf (14 years) – 3rd in long jump
- Mitchell Acev (16 years) – 6th in 110m hurdles
- Adam Bassuni (16 years) – 10th Triple jump
- Thomas Horsley (16 years) – 9th in 400m
- Henry Heritage –(16 years) 9th in High Jump
- Chris Twigg (17+ years) – 2nd in 100m, 7th in long jump

**Relays**

- 12 years girls – Kaitlin Hearne, Pip McHenry, Camelia Ali and Ellee-May Wilson finished 4th
- 12 years boys – Michael Ford, Callum Dodds, Jayden Smileski and Cameron Lodge finished 10th
- 14 years boys – Momolu Sirleaf, Jarrod Twigg, Matt Dewhurst and Joshua Head finished 4th
- 16 years boys – Tom Horsley, Ryan Lappin, Henry Heritage, Adam Bassuni finished 13th.

Our school came 2nd in overall points for a non-metropolitan high school.

An outstanding achievement!
Competition Sport Results

In week 8 this term we had our school finals of competition sport. We had 18 of our teams in the final which was a fantastic effort. Below are the full list of results.

Girls Junior Touch coached by Ms Dark – Won
Girls Oztag coached by Mr Vatovec – Won
Girls Junior Netball coached by Mrs Dive – Won
Girls Senior Netball coached by Mrs Dive – Won
Girls Junior Volleyball coached by Ms Bartlett – Lost
Girls Senior Volleyball coached by Mr Braithwaite – Lost
Girls Junior Tennis coached by Mr Simmonds – Won
Girls Senior Tennis coached by Mr Simmonds – Won
Girls Dodgeball coached by Mr Denner – Lost
Girls Ultimate Frisbee coached by Mr Joseph – Won
Boys Senior Soccer coached by Mr Scanlan – Won
Boys Junior Touch coached by Mr Poppett – Won
Boys Senior Touch coached by Mr Linnett – Lost
Boys Oztag coached by Mr Vatovec – Won
Boys Junior Basketball coached by Mrs Corbett – Lost
Boys Senior Basketball coached by Mrs Corbett – Won
Boys Dodgeball coached by Mr Denner – Won
Junior Indoor Cricket coached by Mr Malouf – Draw

CONGRATULATIONS to all teams.

We have now started recreational sport which each student chose. Just a reminder that if your child’s sport requires a bus they will need to have $5 each week.

The finishing time for sport for is now 2.45pm.

Mrs Markham
Sports Organiser

WOLLONGONG GOLF CLUB

Junior Golf for Schools

Jack Newton Golf Foundation has partnered with Wollongong Golf Club in promoting Junior Golf throughout the Illawarra region.

Wollongong Golf Club’s newly appointed Junior Golf Coach, Darius Gear has programmed a series of classes designed for school students just starting in golf.

Join us for Junior Golf Fun over the upcoming school holidays.

"COME ‘N’ TRY” GALA DAY - $ FREE $
prizes, games, fun
Complimentary sausage sizzle for all the family
Friday 27th Sep, 2-4pm

JUNIOR CAMP each Monday, Thursday, Friday of school holidays ( approx 10-2pm, please call Golf Shop for exact info )
$50 - 1 day
$90 - 2 days

10 partial scholarships to Wollongong Golf Club will be awarded to those that come to any holiday class

For enquiries and bookings into classes:
