A special thank you to; Ms Cathy Smith, the hospitality students, the canteen catering and Ms Jessica Williams for her exceptional organisation of the agenda for the day.

Ms Jan Goodall’s Year 12 Hospitality class catered for the Illawarra and South Coast Secondary Principals Council (SPC) Conference on Friday 28 February.

Mr Peter McBeath the Secretary (Admin) – Illawarra/ South East Region SPC and Principal at Moss Vale High School, sent this email:

“I just would like to express on behalf of the Illawarra/ South Coast SPC how much we appreciated the opportunity to meet at Figtree High on Friday.

Please pass our thanks on to the wonderful students who welcomed us, the school captains (you should be so proud of these young people), Brittney for her heartfelt acknowledgement of country, the wonderful staff in the library, the amazing hospitality students and staff – it was a really successful day, in so many ways because of your support and the wonderful people of Figtree High.

It is always lots of fun visiting other schools because you get to meet great people and learn about how other schools operate – thanks again for a wonderful Friday! We appreciate you!

All the best for a great week!”

We had a very productive Expo Evening for our prospective Year 7 students 2015 and their parents. Thank you to all the students and staff who participated. The organisation by Ms Vanessa Glasgow and Mr Peter Simmonds was outstanding.

The Figtree Community of Schools (CoS) teachers continue to maintain collegial sharing and professional development throughout 2014. In particular, the current CoS focus is on the implementation of the Australian English Curriculum.

Carol Marshman
Principal
Figtree High School’s Core Values: 
Respect, Safety and Learning

A focus on Safety

Students travel in a variety of ways to school each day. This always involves road travel of some type. To ensure that students stay safe, either as a passenger, pedestrian or cyclist, we ask our parents to support us by reinforcing the schools safety values, which reflect safe road behaviour.

Pedestrians

Walking from the front of the school

Students need to enter and exit the school through one of the two sets of front gates, on either side of the administration building. Students should use the footpaths on Gibsons Road and any road crossings should be made at the traffic lights in front of the school. Students who are travelling south along the Princes Highway should also use the traffic lights. Community members have reported concerns to the school about the number of students crossing Gibsons Road and the Princess Highway at the round-a-bout. From 3:00pm – 3:20pm, this area is very heavy with traffic. To ensure student safety, on the Princes Highway, students are asked not to cross the road at the round-a-bout on the Princes Highway, but instead, use the traffic lights at OBriens Rd or if heading south, use the traffic lights on the Princes Highway opposite the old bus depot.

Please note that the staff carparks are not to be used by students as an entry or exit point from the school. The staff carparks are not to be used by parents to drop off or pick up their child, without the prior approval of the Principal or Deputy Principals. While we understand that parking can be difficult in Gibsons Road during the afternoon, OBriens Road can also be used to pick up students at the rear of the school.

Waiting for Buses

Students need to wait in an orderly manner at the front of the school while waiting for buses. On the Figtree High side of Gibsons Rd, students should wait along the school fenceline, as this enables a clear passage for pedestrians along the footpath. When the school bus arrives, students need to wait until the bus stops before approaching the bus. Students waiting for a bus on the Figtree PS side of Gibsons Rd, need to assemble in two lines behind the white fence, ensuring the footpath is clear for pedestrians, including parents and younger students from Figtree PS. Ball games are not to be played at the front of the school while waiting for buses.

Ms Ellie Donovan
Deputy Principal

Rear of the School

Students who travel north from school can use the rear entry of the school. This is accessed from OBriens Road, where students use the bridge and then follow the grass passage along the fenceline to enter the school near the basketball courts. This area is often busy between 3:00pm-3:15pm with parents collecting students after school. Students who are crossing OBriens Road are asked to use the pedestrian islands that are available on the eastern side of the round-a-bout. Students waiting for a bus, assemble in an orderly manner at the bus stop. Again, Ball games, including those with a football, handball and/or basketball are not to be played while waiting for buses. This can create a hazard for motorists.

Cyclists and other Wheels

If students are riding their bicycle to school, student MUST wear a helmet. This is to meet the legal requirements with regard to cyclists. Students are not permitted to ride their bike on the footpath, but need to use the road when travelling on their bike. Students enter the school grounds and take their bike directly to the bike bay area, where it can be secured. Students travelling by scooter or skateboard need to secure these in the lockers in the administration area. Students are not permitted to ride scooters or skateboards on the school grounds.

Talented Photographer takes out Prizes at Local Shows

STUDENT REPRESENTATIVE COUNCIL

On the 17th March, the newly elected SRC met at the University of Wollongong to learn about leadership and discuss the future ambitions of the Student Representative Council. The day commenced at 9am with a presentation delivered by Ryan Park, Member for Keira. In his speech Ryan discussed the qualities of a good leader. Ryan said to be a good leader you must be trustworthy, humble, an active listener, demonstrate integrity, believe in your school and most importantly put others before yourself. As well as this, Ryan communicated to all of the students about his own experiences as a leader and how he got to the position that he is in today. At the conclusion of Ryan’s speech the SRC presented him with a certificate of appreciation.

Following this, Mrs Carol Marshman, Principal of Figtree High School gave her address. This involved her personal visions of the goals and achievements that she would like to see transpire throughout the year. After this, the school captains, Cassandra Kelly and Mitchell Ivaneza, gave their own perspective of what it means to be a good SRC member and the visions they have for 2014 whilst working with the SRC. From this, the first SRC meeting for 2014 began. There was an array of new perspectives and fresh ideas from all of the students. Notes of these ideas were then written down so that further action can be taken.

Afterwards we had our last two speakers Mr Paul Chandler and Mr Greg Biskin who talked to all of the students about how to be a good leader, what leadership involves and their advice on their future of leadership. After each speaker, questions were asked by the students from the SRC. This was a good opportunity for the students to reflect on what they had heard and gain knowledge from the responses by these leaders.

Overall, the SRC training day for 2014 was very successful as all members were able to meet each other, gain new skills and build their confidence, as well as listening to the three representative speakers.

CANTEEN NEWS

URGENTLY REQUIRE A QUALIFIED AND EXPERIENCED CANTEEN SUPERVISOR.

If you or a person you know, is interested in working with our happy and successful team at Figtree High School, please contact Narelle Jacobsen or Di Grant as soon as possible on 4271 2787 for more information.

VOLUNTEERS URGENTLY NEEDED – This year we have not had any new year 7 parents volunteer to help at our canteen. This is the first time since the school opened, that we’ve not had new volunteers.

All we need is 1 hour of your time once or twice per month. Please come along to have a look around the canteen and meet our lovely staff members. Don’t think that someone else can do it, we really do need YOU to help us serve your child/children. We do not want to reduce canteen days as this will impact on ALL the students. This canteen is our main fundraiser for this school. Come along and be a part of our friendly school community!

Thank you in advance for your support.

Please phone Narelle or Julie in the Canteen a.s.a.p. on 4271 2787.

The Canteen Committee
Our congratulations are extended to Year 12, Class of 2013, on their HSC results with most students producing their personal best in many of our subjects.

We welcome Year 7 into Technology and thank them for their enthusiasm shown in producing Korean style Hanji boxes, incorporating design skills and Asian perspectives into their first project. Students will now progress into materials specific design areas of timber, metal, food and textiles, incorporating safety, design and folio work into their study.

Elective classes are settled and engaged in a range of skills and development of knowledge relevant to each course. A snapshot follows:

**Years 11 and 12 Exploring Early Childhood** classes are running “Little Figgies Playgroup” each Monday from 10.45 am – 12.15 pm. It is great to see many pre-schoolers coming along, enjoying their time. All are welcome. Contact Mrs Parr or Mrs Leabeater for further information.

**Years 9 and 10 Food Technology** classes are working on units Food in Australia (9) and Food Trends (10).

**Year 12 VET students** are completing their final week of Work Placement in local restaurants and worksites in Construction, Entertainment, Hospitality and Metal and Engineering.

We extend our thanks to the host employers and Workplace Learning Illawarra for their assistance with this mandatory component of coursework.

In all practical subjects, it is **MANDATORY** that students wear appropriate covered leather footwear in practical lessons. Related alternate tasks will be given to students who do not have correct footwear. I encourage all students to bring their practical equipment as required for each lesson.

Thank you to those families who have paid their contributions for Years 9 - 12 Elective classes and Years 7 and 8 Technology Mandatory. All students have been issued a contributions letter for each subject. **Please note** that Technology Mandatory contributions for Year 7 and 8 are $40.00, which covers expenses for the whole year. Year 8 students are working on designing and making polar fleece beanies and scarves ready for winter months, tool boxes, metal sculptures and café foods.

On Monday 3rd March Year 11 and 12 VET Hospitality classes were treated to “The Chocolate Experience” presented by Kenvale College. The Chocolate Experience is an event run for Year 11 and 12 school groups. It included a short talk on chocolate, a guided chocolate tasting, a talk about event management and a presentation on Kenvale College. We were also treated by the presence of Adrianna Manfredi who is currently a student at Kenvale College. This was a great opportunity for Year 11 and 12 students to get relevant and current information about possible future educational opportunities.

**Korean Homestay Visit**

Figtree High and Je-Ju National Middle School

10 - 20 February 2014

What a time we’ve had!

A huge thank you to the host families, homestay students, school community and staff who have made this year’s homestay visit such a success.

Students were involved in classroom activities ranging from conversational English, bingo, drama, science, art (painting boomerangs), food technology (Anzac biscuits and Lamingtons), geography, PE, Swimming Carnival, writing postcards home and learning more about Aboriginal culture.

We travelled on excursions to Belmore Basin for a walk along the foreshore and lunch of fish and chips; to Kiama Blowhole and the Illawarra Fly, with a stop at the Robertson Pie Shop; to Symbio Wildlife Park via Bald Hill and a walk along the Sea Cliff Bridge and spent a busy thrill-seeking day at Jamberoo Action Park.

Mrs Seo accompanied 12 students from Grade 7 and 8, with most students happy to remain in Australia and enjoy the relaxed lifestyle and hospitality.

Special thanks goes to Mrs Smith who opened her home to host Mrs Seo. Also to Mr McGavock, Mr Scanlan, Mrs Clifford and Mrs McEwan who attended excursions; and to Mr Hudson, Mr Smart, Ms Green, Ms Coughlin,
Ms Clark, Ms Kokalevski, Mrs Williams and Mrs Wale who took specialist lessons.

This program widens our cultural view and provides an opportunity for students to get to know others from another culture and take up the offer to travel to Je-Ju later this year. We are planning to travel in September 2014 and look forward to re connecting with our Korean friends.

Our thanks are extended to Premier Bus Services for their generosity of transport to our students over the homestay period.

Congratulations homestay students on being fine ambassadors for our school and your families!

From:
Year 11 - Elise Oakman and Rachel Watson;
Year 10 - Victoria Liddle, Victoria Pipino
Year 9 – Andrew Watson, Michael Oakman and Czarina Jermyn
Year 8 – Connor McMullen, David Watson and Zaine Murray-Allen
Year 7 – Ashleigh Long

Erika Petersen (10), Melinda Vay, Melanie Vay, Ruby Ljubovic (9) Daniel Maris and Scotty Poon (8) also participated in the program as day billets.

Dear Parents and Students

Thank you for your interest in our Homestay program with Je-Ju National University Middle School, Republic of Korea. With our Homestay visit just completed, we are planning our return travel to Korea during the Spring holidays, 2014.

All students who hosted a Korean student or acted as a day billet, will be receiving this letter to invite them to participate in the return visit. Parents are also invited to participate in this trip.

Details:
Travel Dates: 23 September 2014 – 02 October 2014.
Duration: 10 days
Staff: Mrs Smith, Mr and Mrs Liddle.
Cost: $2200.00 students. Parents/staff – hotel surcharge TBA.

Students will be staying with Homestay hosts and it is hoped that in most cases they will be with the same student that stayed with you.

Payment plan:
We need an indication of your interest in participating and this is to be in the form of:
• a deposit of $200.00 paid to the school office by Friday, 28 March 2014
• a further part-payment of $400.00 by Friday, 02 May 2014
• the balance paid in two instalments – late Term 2, mid Term 3 or by 01 September 2014.

Part payments can be made at any time to the school office and we imagine many families will decide to part-pay each fortnight.
Fundraising to offset costs for students is an option.

Passports and Travel Insurance at own expense. Prompt organisation of passports is essential. All documentation must be to Regional Office by early April 2014.

Students interested in participating need to return the lower part of the form to Mrs Smith within the week.

Yours faithfully

Cathy Smith

ZONE SWIMMING CARNIVAL

On Friday 21st February the Zone Swimming Carnival was held at Corrimal pool. It was a fantastic day and all the swimmers need to be congratulated on their sportsmanship and effort. They all represented Figtree High School with great pride.

We Came 4th overall and we had some outstanding individual results.

Jason Vugrek (pictured below) competed in the 13 year boys events. He competed in 7 individual events and came first in 6 of these events. This was an outstanding effort and he was rewarded with being named the 13 years Age Champion.

Jade Gray (pictured below) also had a fantastic meet. She swam in 7 events and was placed in the top 3 in 6 events. Jade was named 14 year Age Champion.

Wesley Roberts (pictured below) who is in Year 12 competed in his last Zone Swimming Carnival. He was named Age Champion for the 17 years. He swam in 8 individual events and was top 3 in all of these events. A fantastic effort Wes!

Caitlin Smith (pictured below) is a Year 10 student who swam superbly at the meet. She wrote herself into the record books – breaking 2 records. She broke the 200m Freestyle by 3 seconds and the 400 Freestyle by almost 10 seconds. This record had also stood for 23 years. A big Congratulations Caitlin!

Our relay teams performed remarkably well all day. The following teams will compete at the Regional Carnival on the 6th March.

13 years boys – Jason Vugrek, Daniel Gray, Jack Rudd, Jeremy Jones
16 years boys – Alex Costello, Kieran Churchill, Connor Lodge, Dylan Kanaris
17 years boys – Wes Roberts, Scott Mills, Joshua Burley, Mitchell Acev
Girls Medley Relay – Jade Gray, Meghan Fox, Bryanne Sloot, Caitlin Smith

13 year girls – Molly McNair, Kaitlin Hearne, Tazmin Fulcher, Georgia Sturman
16 year girls – Caitlin Smith, Aimee Cunningham, Erika Petersen, Tayla Chambers

Good Luck to all swimmers competing at the Regional Swimming Carnival at Dapto Pool on the 6th March.

All Relay Team pictured below
REMINDER TO ALL PARENTS/CARERS

The staff car park is not to be used as a “drop off zone” for parents/carers during school hours. This is a safety issue for all staff and students.

Please do not park in the Emergency Access Area as this is reserved for the use of emergency vehicles only. Please do not park in the 2 car spaces marked with the Disabled symbol unless you have an authorised Disabled Parking Permit. We would appreciate your cooperation in this matter.

PAYMENTS FROM STUDENTS AND PARENTS TO OFFICE

Just a friendly reminder that if you are paying for school fees, uniforms, calculators, excursions etc., payments can be made at the Front Office before school (8.00 - 8.38am) or at Lunch 1 and Lunch 2.

In Term 1 2014, Parents/Carers can pay at the front office until 2.00pm.

Payments can be made by Cash, Cheque (made out to Figtree High School) and EFTPOS. Credit Card payments may also be accepted by phone.

Any questions, please phone the friendly staff in the front office. 4271 2787

Q & A session after the screening

The Big Picture: Rethinking Dyslexia provides personal and uplifting accounts of the dyslexic experience from children, experts and iconic leaders, such as Sir Richard Branson and financier Charles Schwab. Directed by James Redford, the film not only clears up the misconceptions about the condition, but also paints a picture of hope for all who struggle with it.

Shining a spotlight on the latest scientific and psychological research, the film also highlights the work of Drs. Sally and Bennett Shaywitz, co-founders and co-directors of the Yale Center of Dyslexia and Creativity to illuminate the hidden origins and implications of dyslexia. Proving that dyslexia is a neurological issue and not a character flaw, The Big Picture beautifully illustrates that while the condition is an obstacle, it also carries some unique advantages, and ultimately can be overcome.
