We now provide several easy methods for payment:

- use the quick and convenient Parent Online Payment by logging onto the Figtree High School website http://www.figtree-h.schools.nsw.edu.au click the button ‘Make a Payment’ and enter the required information
- pay in cash or eFTPOS at the school administration office
- contact the school by phone with eFTPOS details
- complete the attached form below and the school will process the eFTPOS payment

General contributions are voluntary contributions which greatly assist in maintaining and increasing the quality of education for your child. These contributions are used to purchase library books, student recognition awards, teaching resources, SMS message system, computer software, computer hardware and electronic classroom devices. We greatly value your assistance in providing this voluntary contribution.

Congratulations!!
There have been some exceptional sporting achievements that are outlined in more detail in the sporting news. Joseph D’Souza-Bullman (Year 10), Jarrod Buick (Year 8), Natasha Hynoski (Year 7) and Payton Williams (Year 8) competed in the NSW Gymnastics State Championships. Wesley Roberts (Year 12) and Caitlin Smith (Year 10) competed in the Australian Age Swimming Championships and the NSW All Schools Swimming Championships. Jarrod Twigg (Year 9) competed at the 2014 ASICS Australian Little Athletics Championships in the Under 15 Multi-Event in Melbourne.

Thank you to the students who presented a heartfelt ANZAC Day presentation on assembly; Victoria Liddle (Year 10), Taryn Brunskill (Year 10) and Mikaela Frame (Year 10). Daniel Maris (Year 8) played the trumpet for an emotional rendition of ‘the last post’. Thank you.

Carol Marshman
Principal
**Figtree High School’s Core Values**

**A focus on Learning-Improving Attendance**

The strong links between high level student attendance and high level academic success have been well researched and documented. It was great to see a number of our students achieve 100% attendance at school in Term 1. A special mention should go to Roll Call classes 8.3 and 10.1 who had the highest number of students achieve 100% attendance.

- Year 7 – 11 students
- Year 9 – 7 students
- Year 11 – 3 students

However, we can certainly work to increase the number of students who achieve 100% attendance in Term 2 by ensuring that students attend school every day, unless they are sick. When a student is away from school for a day, this interrupts their continuity of learning, students can miss essential information about upcoming assessment tasks and also miss learning about concepts that are crucial to achieving particular learning outcomes.

If a student is late to school, this interrupts their learning for the day, and also interrupts the teacher and class who are midway through a lesson. Students need to arrive at school by 8:30am and ensure that they are moving to roll call when the warning bell goes at 8:38am.

Where possible, we ask that parents make appointments for their children before or after school hours, so that their learning is not interrupted. This also applies for Wednesday afternoon sport sessions. The Department of Education and Communities mandates that students MUST attend and participate in sport, unless they are granted an exemption, due to medical reasons. The number of students requesting leave on a Wednesday afternoon during sport time began to increase towards the end of the term, so we take this opportunity to remind parents that Sport is a compulsory learning activity in the week that students must attend on a regular basis.

The SMS messaging system for full day student absences commenced last term and we thank parents for their prompt reply in notifying the school about the reason for the absence, or of any discrepancy with attendance.

**It’s NAPLAN time!**

The NAPLAN testing will begin next Tuesday 13th May for students in Years 7 and 9. The tests will also occur on Wednesday 14th and Thursday 15th May. It is essential that students attend school on the NAPLAN testing days, as the information that will be provided to parents and the school about your child’s literacy and numeracy skills is important. The NAPLAN test results enable parents and the school to examine student improvement over time, as well as identifying particular literacy or numeracy skills that need to be more explicitly taught across different subject areas. Any students who are absent from school during the scheduled NAPLAN tests will complete them on the scheduled ‘catch up’ day. Students should bring an eraser, sharpener and calculator (Thursday) for the tests.

**Homework Centre**

Once again Figtree High is operating a homework centre in the Library on Monday afternoons after school from 3pm until 4pm. This began on Monday 17th February. The centre will be open for approximately 1 hour every Monday, students will be given a light afternoon tea and rostered teachers will be there to assist students. If your child needs help getting organised, researching appropriate information, interpreting tasks or catching up with homework and/or class work, this will be a great opportunity for them. Please encourage your child to attend if you think they would benefit from this extra assistance. Any questions about the Homework Centre can be directed to Mrs Vanessa Glasgow at the school on 42712787.

**Parent Teacher Meetings - Save the Date**

Our school Parent Teacher meetings will be held later this term. This afternoon/evening provides you with the opportunity to discuss your child’s learning, achievement and progress with the class teachers. These will occur in the Auditorium over two evenings;

- **5th June**: Years 8, 11 and 12 – 2:30pm – 7:30pm
- **26th June**: Years 7, 9 and 10 – 2:30pm – 7:30pm

Information regarding the online booking process will be distributed later this term to parents via email and to students in hard copy. Questions about parent teacher night can be directed to your child’s Year Advisor or Deputy Principal.

Ellie Donovan
Deputy Principal
Congratulations to Kaitlyn Neto, Rebecca Soper (Year 12), and Shannai Brassington (Year 10) who qualified for their Gold Award during Term 1. This is the highest award that can be achieved in the school’s merit system and means that each of these students has presented 150 merits. These merits provide evidence that the students have been working to the best of their ability across a range of subjects and that they have been prepared to be involved in a range of extra-curricular activities such as special sporting events, community service and academic competitions. Kailtyn, Rebecca and Shannai have all been awarded Principal’s Awards and/or Year Adviser’s Awards, another demonstration of their consistent work ethic. They have clearly demonstrated a commitment to following the school’s values of Respect, Safety and Learning through earning PBS merits, 100% attendance merits and offering their services to the school. These students are all excellent role models and most deserving recipients of this prestigious award. Well done!

Congratulations to the following students who have reached Silver or Bronze level in the school’s merit system during Term 1.

Silver: Lily McGregor (Year 12), Ashley Hanson (Year 10), Payton Williams, and Dylan Ward (Year 8),

Bronze: Jayden Carson (Year 9), Cooper Fitzgerald, Jaya Letich, Kiara Teuma, Carmen Di-Fiori, Cassandra Harding, Ryan Mutahi, Aimee Trowbridge, Ethan Tsinigos, Darlington Benjamin, Jacinta Carson, Keenan Gillespie, Lily Moriarty, Ashley Sterchow, Jacqui Brassington-Muir, Brandon Redman and Jasmine Sirijovska (Year 8).

To be considered eligible for Bronze or Silver on the school’s merit system a student must present the required number of merits (Bronze 15), (Silver 45). Students must also meet the criteria of being cooperative and courteous and being prepared to work to the best of their ability at all times.

These students can now participate in merit reward excursions or special merit prize draws, which are held throughout the year.

Easter Show Excursion

On Friday 11th April approximately 65 Figtree High students travelled to the Easter Show. The excursion was offered to students who had attained their Bronze or Silver Merit Certificates in the school’s merit system. The day was a great success with everyone enjoying themselves. Special thanks to Ms Clark, Mrs Parr and Mr Liddle for supervising the group on the day.

We look forward to the next Merit Reward Day in Term 4.

Term 1 RSL Winners

Congratulations to Callum Blackmore, Wesley Roberts, Jimmy Schlebaum, Chloe Sheppard (Year 12), Drew Piper, Mecenzi Howard (Year 11), Erika Petersen, Joshua Rimmer, Chanaprut Mark Chompuming, Victoria Liddle, (Year 10) Heather Oakley (Year 9) Payton Williams, Lillian Parsons, Jamie Kuzman (Year 8), Harry Faulks, Emily Cox, Hannah Bentley, Madison Grover, Jessica Nagy, Tahani Burgess and Ryan Sheridan who each won either a $5 canteen voucher, an 8 gigabyte thumb drive or an iTunes voucher because they had their RSL tickets drawn out on assembly. RSL tickets are given to students who are seen to be practising the school’s values of Respect, Safety and Learning. Students are encouraged to drop their RSL tickets into the box in the administration block so that they can be included in the weekly prize draw. These tickets are also tallied for each student and count towards earning merits for Bronze, Silver or Gold Awards.

Ms Dive

PBS VALUES

Week 2: LEARNING
Stay on task and do your best

Week 3: SAFETY
When entering & leaving the school, obey community rules and laws
Little Athletics News

Congratulations to Jarrod Twigg (Year 9 student) who has been selected as a member of the 2014 Little Athletics NSW State team. As a member Jarrod will compete in Melbourne at the 2014 ASICS Australian Little Athletics Championships in the Under 15 Multi Event. In preparation for this event he will also attend training camps in Narrabbeen.

This is a fantastic achievement and we wish Jarrod success at this event.

New South Wales Combined High Schools Swimming

Congratulations to all our swimmers who swam at the NSW Combined High Schools Swimming Championships from the 6th-8th April. All our students represented our school and region with great pride and school spirit. A special thank you to Alex Costello (Year 10). At the very last moment Alex was asked to fill in for one of our relay team members who had been injured. This was a fantastic effort and allowed our relay team to compete.

Jason Vugrek (Yr 7), Natasha Hynoski (Yr 7), Jade Gray (Yr 8) swam in individual events across the championships and performed very well. Two of our students were selected to represent the NSW CHS team at the NSW All Schools Swimming Carnival, based on their outstanding performances. They were;

- Caitlin Smith (Year 10) 400m Freestyle – 2nd, 100m Freestyle – 6th, 50m Freestyle – 7th, 200m Freestyle – 2nd, 800m Freestyle - 2nd
- Wes Roberts (Year 12) 400m Freestyle – 4th, 100m Butterfly – 10th, 100 Freestyle – 4th, 100 Backstroke – 8th, 200m Freestyle – 5th

Well done to all our relay swimmers.

- Girls 6 x 50m Relay – Natasha Hynoski, Molly McNair, Jade Gray, Bryanne Sloot, Caitlin Smith and Rebecca Soper finished 16th in the state.
- Girls 12 Years – Natasha Hynoski, Madeline Noronha, Zoe Williams and Alissa Neden finished 12th in the state.
- Boys 13 Years 3rd – Jason Vugrek, Jack Rudd, Jeremy Jones and Daniel Gray finished 16th in the state.
- Boys 17 Years 3rd – Scott Mills, Mitchell Acev, Alex Costello and Wesley Roberts finished 14th in the state.

Despite being on a ‘rest period’ from their swimming training, Caitlin and Wes recently competed at the NSW All Schools Swimming Carnival. Caitlin won another silver medal, this time in the Girls Open 1500m freestyle. She also swam in the 800m freestyle (4th), 400m Freestyle (5th) and 200m freestyle (8th) – a total of 2900m of racing in a 4 hour time period. Wes Roberts competed in the 100m freestyle – finishing 8th.

South Coast Netball Selection

Congratulations to the following students who made the South Coast Netball team. These students will compete in Coffs Harbour from the 27th – 29th May. We wish them all the best at these Championships.

- Amelia Holtz (Year 11)  
- Shaye Wilkinson (Year 11)
- Lauren Neto (Year 11)
**Cross Country**

On Thursday the 1st of May we were able to run our Cross Country Carnival. The weather this time was very good to us and we had a splendid afternoon of sunshine. I must congratulate all the students on their fantastic behaviour and their willingness to compete.

The winning house was once again RED House followed very closely by Black House. All students who participated are now in the running to win 1 of 8 rebel gift vouchers. The draw will take place on Thursday the 8th May at assembly.

Thankyou to all our students and our wonderful staff who made the Cross Country day an enjoyable day.

The Cross Country Age Champions are
12 years – Natasha Hynoski and Jayden Tye
13 years – Takirah Coulson and Jayden Smileski
14 years - Aimee Trowbridge and Tyson Arnold
15 years – Ashleigh Matthews and Joshua Head
16 years – Caitlin Smith and Adam Bassuni
17+ years - Simone Botting and Tim Tschentscher

The Zone Carnival will be held on Friday the 9th May at Nicholson Park. Any student who came in the top 10 at our school carnival qualifies for this day.

The program is listed below.

**NORTHERN ILLAWARRA ZONE CROSS COUNTRY**  
**FRIDAY 9TH MAY, 2014**

Students should assemble with their team manager at Nicholson Park

- Footwear **MUST** be worn by all competitors.
- Runners **MUST** compete in their school’s sports uniform.
- Runners are **NOT** permitted to listen to IPods when running.
- At the finish, all competitors will be given a place ticket which is to be taken directly to their school recorder.
- 17 &18 yrs old Boys must show a stamp from turnaround checkpoint No. 15 as evidence of having completed the entire course
- The Zone teams will consist of a maximum of ten runners per age group. This will be made up of the first six (6) placegetters and the winning school team of four (4) runners, except for the 18+yrs where only the first six (6) placegetters will be selected.

**Good Luck to all of our runners at the Zone Cross Country.**
**HSIE NEWS**

It has been a busy start to the year in the HSIE faculty at Figtree High School.

Term One saw a number of class groups enjoy excursions that further enhanced their learning. Year 10 Geography were involved in a fieldwork trip in which they investigated urban growth and decline in North Wollongong, Port Kembla and Shellharbour. Year 10 History were treated to an exceptional performance about the Vietnam War that combines theatre, music and storytelling to educate the students about the impact of war on returning soldiers. Year 11 Legal Studies went to the Wollongong Local Courthouse to observe court procedures in process. Year 10 Commerce travelled to Downing Street to observe a range criminal court cases. Teachers have been very impressed with the way in which our students have represented Figtree High School whilst they have been out in the community.

Over the next two weeks the Economics and Business Studies students will be engaged in a series of external competitions. We wish them the best of luck.

Students should be mindful that the assessment and reporting period is well underway at school and they should be continuing to produce and submit work that reflects their personal best. We will look forward to meeting their parents at the parent teacher interviews later this term.

**Learning Labs**

Learning Labs is on again! The University of Wollongong would like to invite high-achieving students from Years 7-10 to apply for this enrichment program which runs during July. This is a popular program and we have had many students attend in previous years. The courses are all new and there is something for everyone including workshops in Philosophy, Journalism, History, Anatomy, Engineering, Painting, Engineering and much more! If you are interested in attending, please see Mrs Corbett in the HSIE Faculty for an application form.

Mrs K Corbett

**NSW State Gymnastics Achievements**

In April, Joseph D’Souza-Bullman (Year 10), Jarrod Buick (Year 8), Payton Williams (Year 8) and Natasha Hynoski (Year 7) competed in the NSW Gymnastics State Championships at Rooty Hill in Sydney.

Competing in Level 7 Open division, Joseph came first in the state winning 3 gold medals for his Floor, Rings and High Bar routines and two bronze medals for Vault and Parallel Bars. Also competing in the same Level, Jarrod placed 3rd overall and received two individual bronze medals on Pommel and Rings as well as placing in the top 6 for most of the other routines. Both boys have now been selected for the NSW State team and will travel to Melbourne to compete for NSW at Nationals in May.

Payton competed in Women’s Level 7 and came 3rd on floor and achieved Execution Awards on beam and vault. Natasha competed in Level 6 and placed in the top 20 on each apparatus.

Congratulations to Joseph, Jarrod, Natasha and Payton on their outstanding achievements.

**NSW State Hockey Championships**

The NSW State Hockey Championships were held last weekend in Newcastle and we had 4 students representing the Illawarra region. Rhys Castle (Year 11), Mitchell Galea (Year 11), Thomas Miotto (Year 11) and Peter Cowan (Year 12) were members of the victorious Illawarra U18’s team. Congratulations to these four students on such a great achievement.

**ILLAWARRA CAREERS EXPO**

All year 10 & 12 students are reminded to bring $5 in for Illawarra Careers Expo which Figtree High students will visit on Wednesday 14th May. Money can paid to the roll call teachers up until Friday 9th May.

Don’t miss out!!

Mr Sargent Wilson
We woke up in the morning only to feel the cold frost of the early morning gripping our hands and feet. The morning fog covered the vast landscape of the beautiful teen ranch of cobbity making it almost impossible to see 10 metres ahead clearly. The birds chirped happily to the rising sun which lit up the rest of our wonderful day.

For breakfast we would enjoy a beautiful warm breakfast and then we would have free time. During free time we were allowed to enjoy the freedom of the country side including a volleyball court, open grass land and an open deck over looking the stunning country side. After free time we would go off in activity groups to do activities that included giant swing, canoeing, pool games, rock climbing & abseiling, bush skills, night hikes and archery. All of these activities were done over the course of the 3 days that the teachers and students spent at teen ranch.

Thank you to—Mr. Smith, Miss Clark, Miss Berriman, Miss Bourke, Miss Argo, Miss Sanander.

By Lianna McKeown
World Autism Day at Yr7 Camp

Students from the new Autism class attended year 7 camp this year. It was a rewarding experience, with students participating in all activities and forming friendships with others in Year 7. They pushed past their fears and gained a great sense of accomplishment.

World Autism Day occurred while we were at camp, so Year 7 celebrated the day together. We decorated the mess hall in blue, played games which helped students gain a better understanding of Autism, and had blue prizes. Everyone had fun and became creative, decorating a member of their team in blue.
National Assessment Program – Literacy and Numeracy 2014

LETTER TO PARENTS

In May 2014 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy skills of students across Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child’s level of achievement. Each student’s level of achievement will be reported against the national minimum standard.

Background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student’s right to privacy is maintained.

The NAPLAN tests will be conducted from 13 - 15 May 2014.

<table>

<td></td>
<td></td>
</tr>
</tbody>
</table>

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

Friday 16 May – A ‘catch-up’ day is scheduled for students who missed a test or were absent on a test day.

Students may be considered for exemption from the tests if:

- they are newly arrived in Australia (less than one year before the test) and with a language background other than English, or
- they have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student’s normal level of support in the classroom may be provided. Large print, Braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustment or exemption from the tests must be discussed with the school Principal and a parent or carer consent form must be signed.

Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents in consultation with the Principal. If you wish to withdraw your child from the tests, a parent or carer consent form must be signed.

Please make an appointment with the Principal of the school your child attends if you would like to discuss your child’s participation in NAPLAN.

Additional information about NAPLAN can be found at [www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html](http://www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html)

YOUNG CHILDREN MUST BE ACCOMPANIED BY AN ADULT AT ALL TIMES.
Winter School Uniform

With the colder weather arriving, we seek parents support to ensure that students have the necessary items of school uniform for the winter months. Below are photos of our winter uniform items for both Junior and Senior students. **Tailored navy pants, navy slacks or navy tracksuit pants** can be worn during the colder months. Denim or navy jeans are not part of the winter uniform. Girls may also choose to continue to wear their school skirt or approved school shorts, with plain tan/navy/black stockings in the colder months. We would like to remind girls and their parents that navy tights can only be worn to school if they are worn under a school skirt or shorts.

![Winter Uniforms](image1.jpg)

In particular, students and parents are reminded that school uniform items listed as NAVY – need to be **plain navy**, without brand logos, contrasting stripes or combinations of other colours. School uniform items that are plain navy include:
- Hooded zip jumpers for boys and girls
- Shorts and long tailored pants for boys and girls
- Sports shorts
- Tracksuit pants for boys and girls
- Senior girls skirts

School uniform items are available from LOWES – Westfield Figtree and at Poppets Direct – located in Montague St, Fairy Meadow or Crystal Bears, located at Dapto Mall. Our uniform suppliers have ample stock for the colder months.

If a student is not able to wear the correct Figtree High School uniform, they should have a note of explanation from a parent/carer and give this to their roll call teacher. If you require financial assistance to support you in purchasing the correct uniform for your child, please contact Mrs Kirsten Borst at the school.
Guiding Gifted Children: Workshops for Parents

These one day workshops for parents are filled with practical information, with a solid research base, presented by experts in the field with real life experience, to help you better understand giftedness and how to help your gifted child thrive. Select one or both workshops.

Saturday 24th May, 2014 – 9:30am-4:30pm
For parents of primary school aged children and preschoolers

Sessions include:
- Identification and psychometric (IQ) testing: why, how and when
- Parenting sensitive gifted children
- Motivating gifted children to develop their abilities
- Gifted children, their friendships and relationships
- Gifted children with learning and other disabilities
- Advocating for your child in the school system

Sunday 25th May, 2014 – 9:30am-4:30pm
For parents of high school students and for parents of younger children who want to be prepared for adolescence.

Sessions include:
- Understanding the gifted adolescent
- Maintaining motivation in the secondary years
- Mental health, resilience and emotional well-being
- Developing academic and study skills
- Computers, gaming, social media and the gifted adolescent
- Against the odds: learning and other disabilities
- Making a successful transition to university and careers

Presenters
Michele Juratowitch is Director of Clearing Skies, provides counselling for gifted children, has worked in and introduced provisions to support gifted students in schools. At the Gifted Education Research, Resource and Information Centre (GERRIC) at the University of New South Wales, Michele taught in parent courses, lectured teachers in a postgraduate course in Gifted Education; developed programs for students and conducted research. Michele was awarded a Churchill Fellowship to study the needs of gifted children.

Rosalind Walsh is a trained high school teacher who holds a MEd (Gifted Education) from UNSW. She was the manager of the Gifted Education Research, Resource and Information Centre (GERRIC) at the University of New South Wales for 10 years. Rosalind has worked with teachers around Australia at both primary and secondary levels. Rosalind is currently undertaking PhD study at Macquarie University researching successful interventions for gifted children in prior to school settings.

Cost: $150 (including GST) per day
$125 Early Bird Registration by 10th May
Venue: Smith's Hill High School, Wollongong
