**PRINCIPAL’S REPORT**

There are several parent/teacher information evenings scheduled for 5th June - Years 8, 11 and 12 and 26th June - Years 7, 9 and 10. I look forward to seeing you on these evenings.

The school athletics carnival was a great success. Many students will be competing in the Zone athletics carnival later this term.

The Quality Teaching Committee are formulating an ongoing plan for the continuation of the implementation of A Learning And Response Matrix (ALARM) and the Quality Teaching Framework: Teacher Instructional Rounds in Semester 2.

The Teaching English Language Learners (TELL) Course has 12 participants from various schools. It consists of 6 Modules. Each module is 2 hours in duration. The modules are presented after school hours on a fortnightly basis. The school coordinator is the English As A Second Language Teacher (ESL), Mrs Evia Kyriacou.

Currently, the Talent Quest Heats are being held during the lunch breaks in the auditorium.

The Homework Centre operates each Monday afternoon from 3pm-4pm in the library. There is voluntary teacher supervision.

The Academic Challenge and Excellence (ACE) Program has been very successful and the students are making steady progress on their projects.

Figtree HS hosted the NAIDOC Public Speaking and Debating Competition on Tuesday 3 June. The Figtree HS debating team won their first round. The overall winner was the Bulli HS team.

Thank you.

**Health Information – Head Lice**

There have been some recently reported cases of students with head lice. As such, it is important for parents to take the time to check their child’s hair carefully for any signs of head lice or eggs (nits) and treat their child if they have the symptoms, to minimise the spread of head lice within the school community. Due to the lifecycle of head lice, re-treating your child after 7 days is necessary.

Head lice infestations are a common occurrence, anyone can catch head lice regardless of their age, sex, or how clean their hair is. Head lice move from one person’s head to another via hair. They do not survive long when they are off a human head and head lice do not live on furniture, hats, bedding or carpet. Head lice have built up some resistance to head lice treatments.

The effective treatment of head lice involves daily combing of white hair conditioner using a fine tooth comb. Chemical treatments are available from supermarkets and chemists, but they can be quite costly. Removing lice and eggs from the hair is necessary to break the lifecycle.

**Tips for parents in reducing the spread of head lice**

It is best to choose a treatment that can be used over time. There is no single solution to eradication, only persistence.

- regularly check your children's hair
- teach older children to check their own hair
- tie back and braid long hair
- keep a fine tooth head lice comb in the bathroom and encourage all family members to use it when they wash their hair.

English Faculty News

With the Australian Curriculum well underway, the English Faculty have been busy implementing the program to our Year 7 and 9 students. Both years have shown a keen interest with a variety of different texts and concepts being taught. Our Year 7 students are currently reading and analysing novels, such as Blue Back, Trash and the Binna Binna Man. They are also involved in the Premier’s Reading Challenge, which has been a huge success. A number of our students are choosing to read more challenging novels. We are now currently working on our program for Years 8 and 10; which will be ready for implementation in 2015.

We have had a number of academic achievements in English this semester. In term 2, we had a group of students enter the ‘Australian Writing Competition’. This is an Australia wide competition open to all schools nationally. The competition received over 12000 entries. We had 38 students enter this competition and 9 of our entries were successful in gaining a position in the finals. Mia Jordan (Yr 9) and Samuel Condon (Yr 12) were selected into the next stage of the competition, gaining a place in the top 4 per cent of entries. These students are now going to have their work published in the Australian Anthology of Young Writers Australia. Congratulations to the following students whom we can now call ‘published authors’.

Samuel Condon, Savannah Reali, Mia Jordan, Connor McEwan, Charlie Quinn, Yasemin Huseyin, Ben Kuzman, Emily Hanson and Luke Trowbridge. I would also like to thank Mrs Bartlett for organising the competition and to all the English Faculty for helping these students achieve such an accomplishment.

I am also proud of our Figtree High School debating team. These students, with the dedication of their teacher, Ms Kokalevski, have achieved excellent results. They have come away with two wins so far, one against Woonona High School and another win, due to a forfeit, from Nowra High School.

Congratulations to the following students:

Our junior team will be debating against Keira High School in the following week. I would like to wish these students all the very best on the day. I would also like to thank the teachers involved, Ms Williams and Ms Kokalevski for their training tips, advice and dedication to debating and public speaking.

Finally this term, we had ‘Bell Shakespeare Company’ come to our school to perform ‘Romeo and Juliet’ and ‘Hamlet’. All the students involved thoroughly enjoyed the performances and were particularly impressed with the delivery of both plays, delivered in a contemporary style. I believe it is important to expose the works of Shakespeare to all students at Figtree High School through not only the study of the plays in class but also through live performances. The next performance will feature ‘Macbeth’, which will be performed by the ‘Young Australian Workshop Theatre’, at our school in the coming week.

Premier’s Debating Challenge: Years 11 and 12

On Friday 28 March, the two senior debate teams began their campaign in the Premier’s Debating Challenge. Figtree High School drew Woonona High School for their first and second rounds of the competition.

Our day began with Team B, consisting of Bradley Heino, Jelena Zaric, Mitchell Ivaneza and Samuel Condon, who argued the negative of the statement “We should ban private schools.” After an hour filled with furious note-taking and argument building, the team emerged victorious. While the debate itself was very close, the adjudicator commented that Figtree’s arguments...
on politics, which allowed our teams to deliver a passionate and engaging debate. Figtree Team B came away victorious, winning Figtree High School a place at the Zone Debates in August.

Congratulations to all students involved!

Girls Hockey

The girls hockey team played a knockout match against Kiama High School last week. The girls played exceptionally well and displayed great sportsmanship. Emily McKinnon our goalie saved some fantastic shots and Kirra Somerville was exceptional in defence. Chloe Sheppard (Year 12) who has played since Year 7 was solid in the middle of the field. While we did not win the match all the girls should be proud of their efforts.

Mrs Markham
Year 11 Hospitality “Kitchen Brigade”

Year 11 Hospitality students were finally able to show case their talents in the kitchen with their first catering event last week, when they catered for 80 people at the school carnival. Students were assisted by Mr Pfeffer and Mrs Parr and preparations were made for the event all week. The menu consisted of food including rustic chicken pie, soups, beef casserole and chocolate fudge slice. All students showed initiative and experienced for the first time the process of preparing, setting up and serving a function. A big thank you also goes to Mrs Smith, Mrs Jenkins, Mrs Wale, Mrs Leabeater and Mrs Goodall who assisted in making the function such a success.

Year 11 will now assist Year 12 hospitality in running the Coffee Bean Café. Lunch time take away specials will also be offered once a fortnight, this week being ham and cheese toasted Turkish rolls. We look forward to seeing the Kitchen Brigade grow in skill and confidence as the year continues.

REMINDER TO ALL PARENTS/CARERS

The staff car park is not to be used as a “drop off zone” for parents/carers during school hours. This is a safety issue for all staff and students. Please do not park in the Emergency Access Area as this is reserved for the use of emergency vehicles only. Please do not park in the 2 car spaces marked with the Disabled symbol unless you have an authorised Disabled Parking Permit for your child’s transport needs. We would appreciate your cooperation in this matter.
CONGRATULATIONS

Kelsey James, Year 10 was selected to be part of PCANSW Junior State Mounted Games Squad 2014. Mounted Games is an equestrian sport which involves fast paced games on horseback. The riders require a high degree of athletic ability, good riding skills, hand-to-eye coordination, a competitive spirit, and above all an ability to work together with their horse and other team members.

Kelsey trains with the State Squad one weekend a month at Londonderry or Bungendore, NSW. Squad try out for Nationals will be held in late July 2014 at Hawkesbury, NSW.

Five Flag Race

Change overs with other team members requires strong focus and coordination.

FIGTREE HIGH TALENT QUEST 2014

FINALS!!! – Thursday night, 12th June, 6:30pm.

It’s on again! This is our student’s opportunity to present their talent and showcase their style.

This year we have had 40 entries in our quest to find the best.

Heats started during lunchtimes on Tuesday 27th May and have run each lunchtime until 6th of June. The field is being reduced to approximately 20 acts who will perform for your entertainment on Thursday night 12th of June.

With the help of Haworth Music, Encore Music Studios, Main Street Studios, Skydive the Beach and Treehouse Production we will be offering some great prizes for performers and the audience.

Come along and support our talented students and encourage them to give their best for the heats also.

As usual, professional Audio, Lighting and Vision production will be provided by our Entertainment students.

Light refreshments, tea and coffee will be available.

Thanks to Haworth Music, our major sponsor for the Talent Quest.

Korean Homestay Program
2014 - UPDATE

Sadly, we will not be travelling to Je Ju, Republic of Korea this year due to limited student interest in the return journey in September. Our program was highly successful in February with over 25 students participating in billeting a student, acting as a day billet or assisting with classes and special interest lessons.

Claim the Date:

JeJu National University Middle School will be visiting again in **August 2015** and we hope to take a return trip with students in **September 2015**.

Please consider adding this to your calendar of activities for your family in 2015.

INFORMATION FOR PARENTS

HSC Resources to help your child

There are a range of resources on the **A-Z Schools** website to provide you with some tips and advice for supporting your child through the challenging months ahead in the lead up to the HSC Examination period in October. These are available from the following link:

**Key Resources available on this site include:**

- A video on preparing for the HSC
- Managing Exam stress
- HSC Survival guide for the whole family
- Links to the BOSTES and HSC Online

Teenager’s seeking more independence

Knowing how much freedom and responsibility to give your teenager is difficult, especially if they’re your eldest or only child. To become capable adults, teenagers need to learn to make good decisions on their own and have opportunities to show you they can. The Raising Children Network website has a wealth of expert information and guidance for parents of teens and younger children. If your child is testing the boundaries and pushing for more independence, you may find the article ‘*Shifting responsibility to your child*’ worth reading. Study help for high school

It’s often quite difficult for parents to assist their children with their high school homework and study. Even if we have professional experience in the subject area, children tend to find it difficult to take parental advice when it comes to school. (Don’t feel bad, teachers’ own children do exactly the same thing.) [www.khanacademy.org](http://www.khanacademy.org) is an excellent, not-for-profit website which may help your child study and revise tricky concepts in science, maths and the humanities.
